Members of the program committee:

Babayev Igbal, professor, Doctor of Science, Baku Polytechnic University, Baku, Azerbaijan

Biloschytskyi Andriy, professor, Doctor of Science, vice-rector IT Astana University, Astana, Kazakhstan

Chinvi Mgabere, professor, Dr., vice-rector of Nursultan University, Astana, Kazakhstan

Carsten Wolff, Professor, Dr., Dortmund University of Applied Sciences and Arts, Dortmund, Germany

Cetin Elmas, Professor, Dr., Gazi University, Ankara, Turkey

Hiroshi Tanaka, professor, Dr., professor University of Tokyo, Tokyo, Japan

Khusainova Mayra, professor, Dr., Kazakhstan Project Management Association, Almaty, Kazakhstan

Lebkowski Piotr, Professor, Doctor of Science, AGH University of Science and Technology, Krakow, Poland

Obradović Volodymyr, Professor, Doctor of Science, University of Belgrade, Belgrade, Serbia

Pasichnyk Volodymyr, professor, Doctor of Science, professor National University "Lviv Polytechnic", Lviv, Ukraine

Petryshyn Lubomyr, professor, Doctor of Science, AGH University of Science and Technology, Krakow, Poland

Recker Stefan, professor, Dortmund University of Applied Sciences and Arts, Dortmund, Germany

Romanenkov Yuriy, professor, Doctor of Science, professor National Aerospace University, Kharkiv Aviation Institute, Kharkiv, Ukraine

Sachenko Anatoly, professor, Doctor of Science, professor Radom University of Technology, Radom, Poland

Vaverková Magdalena Daria, professor, Doctor of Science, professor SGGW, Warsaw University of Life Sciences, Warsaw, Poland

Composition of the organizing committee of the IV International Workshop "IT Project Management (ITPM 2023)"

Head of the organizing committee:

Kunanets Nataliia, professor, Doctor of Science, professor of Lviv Polytechnic National University, Lviv, Ukraine

Secretary of the organizing committee

Veretennikova Nataliia, associate professor, Ph.D., associate professor of Lviv Polytechnic National University, Lviv, Ukraine

Members of the organizing committee:

Bushuev Serhiy, professor, Doctor of Science, head of the Ukrainian Project Management Association "UKRNET", Kyiv, Ukraine

Pasichnyk Volodymyr, professor, Doctor of Science, professor National University "Lviv Polytechnic", Lviv, Ukraine

Trach Roman, associate professor, Doctor of Science, Institute of Civil Engineering Warsaw University of Life Sciences, Warsaw, Poland

Rutkowska Gabriela, associate professor, Ph.D., Institute of Civil Engineering Warsaw University of Life Sciences, Warsaw, Poland

Lendo-Siwicka Marzena, associate professor, Ph.D., Institute of Civil Engineering Warsaw University of Life Sciences, Warsaw, Poland

Trach Yuliia, associate professor, Ph.D., Institute of Civil Engineering Warsaw University of Life Sciences, Warsaw, Poland

Podlasek Anna, associate professor, Ph.D., Institute of Civil Engineering Warsaw University of Life Sciences, Warsaw, Poland

Matsyuk Oleksandr, associate professor, Ph.D, associate professor of the Ternopil National Technical University named after I. Pulyuya, Ternopil, Ukraine

Duda Oleksiy, associate professor, Ph.D, associate professor of the Ternopil National Technical University named after I. Pulyuya, Ternopil, Ukraine

The main purpose of the ITPM-2023 workshop is to discuss the latest research results in the following areas:

- Modeling of project management processes in the IT industry.
- Information technologies for project and program management.
- Human resource management and leadership in IT project management.
- Algorithms and tools for decision making in IT project management.
- Design and IT technologies.
- Management of IT projects and programs.
- Formation of project portfolios of IT companies.
- Data mining, application in IT project management.
- Integrated IT project management.
- Training in project management and models of international certification.

The workshop materials may include articles presenting the results of original research in the field of IT project management, including project action methodologies, project team management, project analysis from the perspective of employers, important aspects of IT training, emotional states of project team members and more.

The official language of the ITPM 2023 workshop is **English**. All works must also be written and presented in English. The workshop will take the form of oral presentations in English with presentations. Reporting is required.

All submissions must be original, i.e. not published in previous seminars, conferences or journals and contain at least 10 “standard” pages and comply with CEUR format guidelines.

Presentation

Your application must be prepared using [Microsoft Word Proceedings](#).

Requirements:

1. no more than 5 authors per article.
2. self-citation not more than 20%.
3. the total index of authors in the DBLP database has to be at least 5.

All papers will be evaluated by at least three members of the International Program Committee. In addition, accepted articles must be presented at the conference by at least one of their authors. All accepted papers will be published in the electronic conference proceedings with ISSN.

Author's agreement on publication of the contribution is in open access on CEUR-WS.org.

All papers for participation in the conference (in DOC format) are submitted via the **Easychair system**: <https://easychair.org/conferences/?conf=itpm2023>

IMPORTANT DATES:

- Paper Submission due: 15 March, 2023
- Notification of pre-acceptance and peer reviewers' comments: 15 April, 2023
- Deadline for receiving documents with changes: 25 April, 2023
- Conference date: 19 May, 2023
